

ABOUT OUR PAPER

The Westside Observer is an established monthly newspaper serving the entire Western area of San Francisco. We deliver 20,000 copies 10 times a year on the last Friday of each month (January and August excepted), 12,000 of which are distributed door-to-door (see list of neighborhoods on the right).

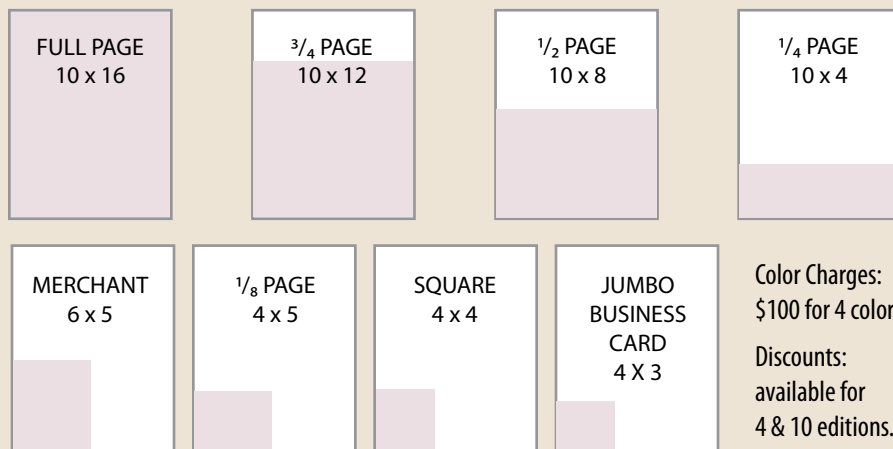

Another 1,500 are distributed through a free distribution rack system found at 15 locations on the Westside of the City. The remaining copies are delivered to key drop-off points, including merchants, banks and public libraries.
